For Party:

### Food

Cheese pizzas for \$9-10 each (hopefully), about 30 for Stunts  
Ask for plates, napkins
2. From Costco or Sam's Club:  
buy 2 sheet cakes, individual bags of chips, maybe tray of cut veggies and dip  
plastic tablecloths (5-6), forks for salad and cake
3. parents contribute: fruit, salad, baked goods
4. from bake sale: extra water, unsold baked goods

Set up serving line in cafeteria, get a few parents to help serve pizzas

Use dolly to move stuff from bake sale after intermission

Use back door in cafeteria to bring in the pizzas

Need cake knife for sheet cake

Give all leftover food to kids to take to cast party

At the end of the night, just throw everything else away. You don't have to sweep or lock up before you go.
